	(3)How do I spell it?	Form	(4)How do I use it in a sentence?
	(5)What do I use it?	Use or Function	03016784754 03006732756

Check : Did You Understand	Language analysis must be written.	03016784754	FALSE
	This analysis helps Maryam to think about how to help learners with problems they might have.		TRUE
	The analysis cover meanings, form , pronunciation , syntax and use. 03016784754 03006732756		TRUE
	The analysis is the same as the lesson plan. 03016784754 03006732756		FALSE
	The analysis helps Maryam to plan her lesson. 03016784754 03006732756		TRUE

Answer the Questions 03016784754=03006732756		
1	Do both Teachers give learners the information they meet about language?	Yes
2	Which Lesson sounds more helpful to get learners need to communicate in English?	Teacher 2

Multiple Choice 03016784754=03006732756	
Which option describes an effective way to provide context for the word "cat"?	Show a picture of a cat and ask learners, "What is this?"
Which option describes an effective way to provide information about the adverb "some times"?	Write an example sentence like "I some time have chicken for dinner" Example you don't have chicken everyday, but on some days you do.
Which option describes an effective way to provide communicative practice of "can "for ability?	Ask learner to write three things they can do. Then ask them to work in pairs, tell their partner the three things, and see if they have anything in common.
Self-Assessment	03016784754=03006732756
All 5	

Quizzes Unit 1: 03016784754=03006732756 (سرخ رنگ نلا کے لیے اور نیارنگ درست کے لیے استعمال کیا ہے)	
A story or a dialog is not an example of a context. 03016784754 03006732756	False
Analysing the grammar are vocabulary they are going to teach can help teachers anticipate problems learners might have.	True
Developing vocabulary and grammar helps learners with all four language skills (reading, listening, speaking and writing).	True
Communicative practice means memorizing dialogues. 03016784754=03006732756	False
In the national textbook, vocabulary and grammar are included in which section? 03016784754	Language focus
Improving vocabulary and grammar helps learners to understand English better when they are reading and listening	True
"Learning to spell" activities in the textbook help learners to use the :03016784754	Correct for of new vocabulary
Language analysis is not important when planning vocabulary or grammar lessons.03016784754 03006732756	False

Learners need to practice new vocabulary and grammar through speaking and writing. 03016784754 03006732756	True
New grammar and vocabulary should be presented to learners as a list of words to learn for dictation rather than with meanings to learn in context. 03016784754=03006732756	False
Syntax and spelling mean the same thing. 03016784754=03006732756	False
Using capitalization and punctuation is not included in the National Curriculum standard for grammar?	No
Vocabulary should only be taught in reading lessons. 03016784754=03006732756	False
When they learn a new word, learners need to know the meaning, pronunciation, how to spell it and how to use it in a sentence.	True
Which is more important: Vocabulary or grammar? 03016784754=03006732756	They both are equally important

Quizzes Unit 3: 03016784754=03006732756 (سرور تک ملو کے لیے اور ٹیچار تک درست کے لیے استعمال کیا ہے)			
A good way of teaching new words is to write all the words on the board and ask learners to copy and rote learn them.		False	
By keeping diversity, inclusion and differentiation principles in mind, teachers need not consider.	03016784754=03006732756	Using Idioms in classes so that the level of learners' understanding increases.	
Circle Story is about creating a story with the help of words that learners remember from the previous lesson.		False	
Expressing an opinion is an example of free practice.		False	
In a game of Pop, a learner has to guess the word written on the board, sitting on chair facing the class, while the other learners give him clues.		03016784754=03006732756	
In a quick fire quiz, a learners has to guess the right word on the card with the help of clues and related words suggested by his fellow learners.		03016784754=03006732756	
In 'describe the character' vocabulary game, learners search for different words to describe different characters in the story and their thoughts and actions.		03016784754=03006732756	
In dictogloss learners write previously learnt words only after listening to the relevant text extract.		True	
Learners have to guess the target word in Vocabulary Word Taboo.		03016784754=03006732756	
Learners make use of RAFTs in order to write an acrostic poem.		03016784754=03006732756	
Learners use the context to figure out the meaning of an unfamiliar word when teachers use the 'incidental' vocabulary teaching approach.		03016784754=03006732756	
Managing a controlled practice task is not important as limits the learners to use new words.		True	
Recycling vocabulary refers to the practice of recalling previously learnt words.		03016784754=03006732756	

Repetition of new words in various contexts will increase learners' vocabulary. 03016784754=03006732756	True
Vocabulary can improve even if learners' rote learn new words and their meanings.03016784754=03006732756	False

Which activities are examples of using differentiated, learner-friendly and inclusive techniques? All of the above

In deductive teaching, the learners work out the rules from examples 03016784754=03006732756	FALSE
In dictogloss learners write previously learnt words back after listening to the relevant text extract.	TRUE
In each lesson, should only produce one grammar structure	FALSE
In the national textbook, vocabulary and grammar are included in which section? 03016784754	Language focus
Inclusivity requires teachers to focus on what their learners can do and not on what they can't do.	True
Inductive teaching takes advantage of children's natural curiosity. 03016784754=03006732756	TRUE
It is important for the teacher to set all class rules without the involvement of the learners.	False
It is important to encourage the learners to make connections between the words and themselves (text to self), between the text and real life (text to word) and between one text and another (text to text). 03016784754	TRUE
Language analysis is not important when planning vocabulary or grammar lessons.03016784754 03006732756	FALSE
Language analysis must be written. 03016784754	FALSE
Language points from previous lessons can be recycled.	TRUE
Learners ----- Playing games,	Love
Learners can build their confidence in communication by doing a task-----	Again
Learners can't work out grammar rules from games and activities. 03016784754=03006732756	FALSE
Learners have to guess the target word in Vocabulary Word Taboo. 03016784754=03006732756	TRUE
Learners make use of RAFTs in order to write an acrostic poem. 03016784754=03006732756	FALSE
Learners need feedback on how they use grammar and vocabulary when they speak and write.	TRUE
Learners need to practice new vocabulary and grammar through speaking and writing.03016784754 03006732756	TRUE
Learners the meanings of words by heart takes away learners' interest in the word.	True
Learners use the context to figure out the meaning of an unfamiliar word when teachers use the 'incidental' vocabulary teaching approach. 03016784754=03006732756	TRUE
Learners will need to be familiar with the ----- of a structure before using it for a speaking activity.	Sound

Learning the meanings of new words is possible without a context	False
Managing a controlled practice task is not important as it limits the learners to use new words.	TRUE
Minimal pairs are words that differ by one letter 03016784754=03006732756	FALSE
Mnemonics is a technique that aids memorization 03016784754=03006732756	TRUE
New grammar and vocabulary should be presented to learners as a list of words to learn for dictation rather than with meanings to learn in context. 03016784754=03006732756	FALSE
Once learners understand a grammar point, they should first have the opportunity to practice it in activities which are	Controlled
Only the whole lesson needs to have aims, not each stage of the lesson 03016784754=03006732756	TRUE
Pick the techniques that cannot be used to clarify meaning 03016784754=03006732756	Drilling
Recycling vocabulary refers to the practice of recalling previously learnt words. 03016784754=03006732756	TRUE
Repetition of new words in various contexts will increase learners' vocabulary. 03016784754=03006732756	TRUE
Rote learning of meanings limits learners' ability to use these words in their routine language development	True
Select the correct option. A learners is speaking and you can't understand what they mean because of grammar and vocabulary mistakes. What kind of error correction should you use?	Delayed – never interrupt learners when they are talking
Select the correct option. Which of these sentences is true about delayed error correction?	It can support learners as it doesn't interfere with communication and means error can be dealt with anonymously.
Sound-spelling association means that a child is able to write that letters make certain.	FALSE
Supporting less confident learners is not an important feature of an inclusive classroom.	False
Syntax and spelling mean the same thing. 03016784754=03006732756	FALSE
Tests are the only way to assess learners' grammar and vocabulary.	FALSE
The aim of each stage should not necessarily be achieved before the lesson moves onto the next stage.	FALSE
The analysis cover meanings, form , pronunciation , syntax and use. 03016784754=03006732756	TRUE
The analysis helps Maryam to plan her lesson. 03016784754=03006732756	TRUE
The analysis is the same as the lesson plan. 03016784754=03006732756	FALSE
The first step in Presenting new vocabulary is to enable the learners to understand the context in which the word is being used	TRUE
The inductive method is faster than the deductive method. 03016784754=03006732756	FALSE
The meaning of a word cannot be understood without visualizing its image in your mind.	FALSE
The teacher can substitute different words in a sentence to check learner's understanding of 03006732756	Form
The teacher should discourage learners from using language structures from previous lessons	FALSE
The teacher should only correct errors which have already been covered in the course	TRUE
This analysis helps Maryam to think about how to help learners with problems they might have.	TRUE
Timelines are useful for representing	Tenses
Timelines are useful for representing 03016784754=03006732756	Tenses
To be able once learners have had some controlled practice of a grammar structure, they can move on to	Free practice and production
To be able to use a grammar structure, learners must understand its 03016784754=03006732756	Form and function
To pronounce words correctly, learners should say the words to help them workout the number of syllables. True or false?	TRUE
Tongue twisters are the phrases or sentences that we commonly used in our daily life. 03016784754	FALSE
Using capitalization and punctuation is not included in the National Curriculum standard for grammar?	No
Using Context Clues while reading text to understand the meaning of new vocabulary helps improve spelling and pronunciation.	FALSE
Using the inductive method, what does she say the learners can infer?	The rules
Vocabulary and grammar are Important because they help learners to communicate in English.	True
Vocabulary and grammar help learners to understand reading and listening texts in English.	True
Vocabulary can improve even if learners' rote learn new words and their meanings. 03016784754=03006732756	FALSE
Vocabulary should only be taught in reading lessons. 03016784754=03006732756	FALSE
When playing games learner often have to recall in formation which is good for	Quickly
When they learn a new word, learners need to know the meaning, pronunciation, how to spell it and how to use it in a sentence.	TRUE
Which activities are examples of using differentiated, learner-friendly and inclusive techniques?	All of the above
Which is more important: Vocabulary or grammar? 03016784754=03006732756	They both are equally important
Which method is the traditional method?	Deductive
